

Dr. Pamela Carrington Rotto

BIOGRAPHY

Dr. Pamela Carrington Rotto

Dr. Pamela brings her clients more than 20 years of leadership and operating experience in the private business and not-for-profit social sectors. She delivers executive coaching and leadership development, strategic thinking and execution planning, program development, and outcome evaluation to executive teams.

With over 12 years' experience as president and CEO of a high growth organization that received the "Inspire! Organization of Excellence" award, she understands how to create award-winning results and sustainable cultures.

She is a proven leader and coach who helps maximize corporate culture and collaborative processes as she assists organizations and their leaders to optimize the balance between people, performance and profit. These experiences fuel her tremendous connection with client executive teams.

As a Four Decisions® Certified Coach, Dr. Pamela works with leaders of growth positioned companies to clearly visualize the future and create a winning formula to reach it; transform culture into competitive advantage; and commit to address the root of the issue.
