

**PAUL CRONIN** BIOGRAPHY**PAUL CRONIN**

Paul works exclusively with entrepreneurs and action-oriented business owners to eliminate frustrations, achieve breakthrough growth and maximize the value of their companies. He also helps exiting owners to plan their succession and help execute their business transition.

Paul turns complex problems into simple solutions by helping business owners and their leadership teams implement time-tested, easy-to-use "Tools" that create great wealth. These tools are put to work immediately to make strategically smart decisions, keep everyone aligned and accountable to those decisions and execute quickly.

This strategic execution helps entrepreneurs and their leadership teams break through the ceiling. It is what differentiates the 5% successful companies from the rest.

Married for 27 years, Paul is father to three boys. He enjoys Tae Kwon Do, SCUBA diving, skiing, and travel and is past board president and elder for his church. Paul is inspired by those seeking excellence and who persist with grit.

**Executive Summary**

Paul Cronin is managing partner, senior business advisor and head coach with Cornerstone3, Inc. He brings nearly 30 years of experience as a corporate executive along with seven years as a turn-around expert. He has served as CEO/ President/General Manager for seven companies across multiple industries and presently works with CEO's and their leadership teams as a facilitator, advisor and executive coach.
