

ABHAY SISODIYA BIOGRAPHY**ABHAY SISODIYA**

Abhay brings his Gravitas Impact clients over 20 years of leadership, human resources and talent management experience and expertise in the industry including curricula development, strategic planning, advisory, coaching, 360 assessments, personality profile analysis, course facilitation, and organizational effectiveness planning.

He has discovered that a leader who is able to preserve personal core principles and values alongside the company they work for are significant contributors to the growth, success, and foundation of the company.

Abhay's work in helping companies to strengthen their operating principles has shown itself in various organizations throughout Canada, US, African and European countries. He has situated these companies to become strong in not only their operating foundation but also the people-side as well.

Born in Tanzania, Africa, he currently resides in Calgary and volunteers with two community boards. During his extra time, he pursues his passion traveling the world experiencing different cultures and relishing life's greatest moments with family and friends.

Executive Summary

Abhay Sisodiya, Director at Maher Advantage Inc., is a dedicated leadership consultant focused on meeting the needs of business while balancing the needs of their people. His diverse client base includes IT, planning & design, oil and gas and engineering to name a few. His approach to learning in a corporate setting is based on the belief that each individual brings unique skills for companies to utilize for their own vision, value and brand. His client companies become strong in their operating foundation and on the people-side.
